

# NOTICE

## SHOTGUN AMMUNITION

The use of shotgun ammunition on the rifle range will be restricted to

**Steel / non-toxic ammunition only**

There will be a transition period.

As at 1<sup>st</sup> June 2020

**Steel/non-toxic shotgun ammunition only**

This is a requirement to help reduce lead contamination on the ground surface

This requirement does not apply to competitions held on the shotgun range

12/03/2020
